EXCAVATION PERMIT APPLICATION

Property Owner: _____ Contractor: _____

Property Address: _____

Owner/Contractor Mailing Address: _____

Phone # _____ Parcel ID# _____ Zoning District _____

This excavation is being performed in preparation for:

I, _____, owner of/or agent for, the above identified parcel located in Batavia Township, propose to begin excavation on this site. I understand that approval of this activity does not constitute approval of a particular use upon this site, but merely confirms that the proposed plans generally fall within the guidelines of the zoning district in which this site is located. Further, it is understood that all actual construction or the establishment of a specific use on this site, will require issuance of a zoning permit signifying compliance with the Batavia Township Zoning Resolution.

Signature of Applicant

I authorize commencement of the above described activity on this site with the understanding that any future construction or change of use of the property will require ADDITIONAL REVIEW AND ISSUANCE OF A BATAVIA TONWSHIP ZONING PERMIT. Issuance of this permit does not negate the need to acquire approvals from other authorities prior to work being performed.
